## Rent your spare room for December Season

Would you like to open the spare room in your apartment or in your house to a rasika during the famed December Season of music and dance?

*Mylapore Times* is creating an advertising space on its Season 2024 micro section of its website – [www.mylaporetimes.com](http://www.mylaporetimes.com) – where you can post your

offer and make life easy for visiting rasikas. The advert will also appear once in *Mylapore Times* print issue.

There are rasikas who zip into the city and seek private accommodation rather than stay at hotels when they are here for the 'season' of music and dance. They prefer Mylapore as an address since access to most sabhas is

easy. Adverts are welcome – and will be posted online at the *Mylapore Times* website. A basic advert of 25 words costs Rs.250 plus GST and will be online till end December.

Call 24982244 to make bookings. Or mail the advert to - mylaporetimes@gmail.com

## BJP cadres help seniors sign up for PM's new health insurance scheme

Some 100 people queued up at a shamiana counter set up by BJP cadres near the north side of the Chitrakulam earlier this week.

Most were seniors who wanted to register for the newly introduced insurance scheme of the Prime Minister for seniors 70 years and above.

Cadres checked the applicant's Aadhar card and related documents and helped seniors file the insurance application forms. If you are above 70, you can sign in for medical insurance irrespective of your status and income.

## Old avenue trees on Dr. Ranga Rd pose danger to motorists

The old avenue trees on Dr. Ranga Road, Abhiramapuram are posing a problem to motorists.

Residents here say that these old trees, though pruned some years ago, are jutting out or slanting onto the road and obstruct traffic.

Dr S Devaji Rao who shared these photos said that many cars, including his, were dented when they had to negotiate the areas where the trees jut out. "The tree trunks are huge and jut out," he said.

People want the GCC's tree-pruning staff

to address the issue.

It is a tricky one since these are grand old trees that provide shade on this busy road. Even pruning the massive tree trunks could be a challenge.
